The need for an additional officer in Legal Department in connection with drafting work has been felt for some time past, and recently the work has increased to such an extent that it has become impossible for the R.L.A. to attend to his other duties and also do the drafting work in addition. It is therefore considered very necessary to have an officer who will be solely in charge of drafting legislation. Fortunately Mr. J.R.Dhurandhar who has worked as Remembrancer of Legal Affairs and who has considerable experience of drafting work is now available, and we should take this opportunity to re-employ him as a Draftman and Constitutional Adviser; I have consulted him, and he is agreeable to take up this oppointment. The post of a draftsman and constitutional adviser should therefore be created for a period of three years, and Mr. Dhurandhar may be appointed to it on a salary of Rs. 3000/- min the pension which he is getting at present.

2. A reference will have to be made to the Public Service Commission and their concurrence obtained to Mr. Dhurandhar's appointment.

VERY URGENT

LETTER

From- Resis, Bombay
To - The Secretary,
Bombay Public Service
Commission.

No. 2048/34-D. Bombay Castle, 25th June 1948.

Subject:- Draftsman and Additional Secretary to Government, Legal Department.

Appointment of Mr. J.R.Dhurandhar to the post of .....

Government had felt the need for an additional officer in the Legal Department in connectionwith drafting work for some time past and since recently the work had increased considerably and it had become impossible for the Remembrancer of Legal Affairs to attend to his other duties and also to do drafting work in addition, it was considered necessary to have an officer who would be solely in charge of drafting legislation. Accordingly Government has created a temporary post of Draftsman and Additional Secretary to Government, Legal Department for a period of 1 year in the first instance from the 17th May 1948 and appointed Mr. J.R.Dhurandhar, O.B.E. to it. Since the appointment had to be made urgently in view of the impending session of the legislature, it is regretted that it was not possible to obtain the prior concurrence of the Commission to Mr. Dhurandhar's appointment.

2. As the Commission may be aware, Mr. Dhurandhar was holding the post of Remembrancer of Legal Affairs under this Government and retired from that post in 1941. The Commission will appreciate that since Government is undertaking considerable legislation, it was necessary to have a person with experience in drafting legislation. Mr. Dhurandhar satisfies this requirement eminently and it would not have been possible to secure the services of an officer of his experience by advertising the post. The Governor of Bombay is therefore pleased to relax the provisions of rule 3 of the Bombay Public Service Commission (Functions) Rules, 1947 in his favour and I am to request that in view of the circumstance in which the appointment has been made, the Commission may be moved to acquiesce in it. Mr. Dhurandhar is active both physically and mentally and will be able to discharge the full responsibilities of the post.

3. I am to request that the acquiescence of the Commission in Mr. Dhurandhar's appointment may be conveyed to this Department at an early date.

2. Please see in this connection P & S.D. letter No 2048/34-D dated the 25th June 1948 addressed to the Secretary, P S.C. Informal inquiry was made in the P & S.D. as to whether the necessary orders creating the post and appointing Mr. Dhurandhar to it should be issued after the receipt of reply from the P.S.C. That Department, however, advised that it is not necessary to await the reply from the P.S.C. but that in the orders it may be made clear that Mr. Dhurandhar's appointment is made pending further orders. It may be pointed out that Mr. Dhurandhar will not get his pay unless the requisite orders are issued

3. A draft G.R. is accordingly put up. Attention is invited to the D.O. letter at p. 1 ante. Government decided to create the said post with immediate effect and Mr. Dhurandhar was asked to join on 17th May. Mr. Dhurandhar actually assumed charge of the post on 18th May. It is therefore necessary to create the post from 18th May and not from 17th. In the G.R. at P. 15 post therefore the post has been shown as created with effect from 18th May 1948. The G.R. will have to be shown to P & S.D. and F.D. before issue.

Although in the letter dated 15th of May 1948 addressed to Mr. Dhurandhar it was stated that a temporary post of Draftsman and Additional Secretary, Legal Department, was being created for one year in the first instance, in his note dated 8th of May 1948 the Chief Secretary had said that the post was to be created for a period of three years. The Public Service Commission have acquiesced in the appointment for one year but recommended that he should be appointed to the post for a period of one year only. The Commission suggested that a suitable officer may be selected in consultation with the Commission and be given the necessary training under experienced officers with the view that he may succeed Mr. Dhurandhar at the end of the year. Since then the scheme for the reorganization of the Legal Department was approved by Government and sanctioned in G.R.L.D.No.10892 dated 18th November 1948. Attention is particularly invited to the portion of the G.R. relating to the Legislation Branch. This scheme was sanctioned for a period of two years in the first instance with effect from 15th December 1948. However, the Administrative Enquiry Committee had recommended that a separate Bureau of Legislative Drafting should be constituted under an officer having special qualifications for drafting, and final decision upon this question was taken by Government recently when in G.R. P & S.D.No.3063/46 dated 19th April 1949 Government was pleased to direct that the recommendation should not be accepted. Therefore, the Legislation Branch has now to be reorganized on the basis of the proposals made in G.R.L.D.

P.T.O.

No. 10892 dated 18th November 1948 which have already received the approval of Government. It will be noticed that under that scheme there is a regular hierachy of officers for the purpose of drafting, and it is no longar necessary to select any one person with a view t training him as a Draftsman. There are sufficient number of persons in the Branch who are being trained for the purpose, and the best ~~xxx~~ training, in my opinion, is that acquired through experience. During the last one year considerable drafting work has been done in the Branch under Mr. Dhurandhar, and his immediate subordinates Mr. Chaudhari and others have as a result improved their training in drafting. The system of training one individual and depending upon him has been responsible for the difficulties which the Legislation Branch periodically experiences, and the ~~xxxx~~ reciganisation scheme has been so arranged as to ensure a continuity of drafting talent in the Department. Under the circumstances it would be very desirable to continue, Mr. Dhurandhar as orginally proposed. It would be a pity to lose his valuable assistance both in drafting and in trainingthe subordinates.

2. The appointment, which expires today, may, therefore, be continued for the next year. The public Service Commission may be informed in terms of this note and their acquiescence may be sought for the extension.

No. 2048/34-D. Bombay Castle, 25th May 1949

Subject:- Draftsman and additional Secretary to Government, Legal Department.

Appointment of Mr. J.R. Dhurandhar to the post of ....

Reference correspondence enging with your letter No. 166, dated the 5th July 1948, on the above subject. The term of appointment of Mr. J.R.Dhurandhar as Draftsman and Additional Secretary to Government, Legal Department has expired on the 17th May 1949, Government has carefully considered the suggestion made by the Commission to limit the term of Mr. Dhurandhar's appointment to only one year but has found by experience that it is not feasible to do so. A reference is invited in this connection to Government Resolution, Legal Department, No 10392, dated the 18th November 1948 sanctioning a scheme of reorganisation of the Legal Department (vide copy enclosed) and particularly to paragraph 2 thereof relating to the Legislation Branch. it will be seen that this scheme provides for the appointment of a hierachy ofofficers for the purpose of doing drafting work. Government is, therefore, of the opinion that in view of this scheme it is no longer necessary to select any one person with a view to training him as a Draftsman. There are a sufficient number of officers in the Legislation Branch who are being trained for the purpose of drafting under Mr. Dhurandhar and the best training is that acquired through experience. During the last one year considerable drafting work has been done in the Branch under Mr. Dhurandhar and his immediate subordinates have as a result gained some practice in drafting. Government has found that the system of training one individual and depending on him has been responsible for the difficulties being periodically experienced in drafting matters and the reorg anisation scheme sanctioned by Government Resolution, Legal Department, No.10892, dated the 18th November 1948, has been so devised as to ensure a continuity of drafting talent in the Department.

In the circumstances, Government considers that it is very essential to continue Mr. Dhurandhar in the post of Draftsman and Additional Secretary to Government, Legal Department, for another year. Mr. Dhurandhar is doing valuable work of drafting and is imparting training to the officers working kim under him which will be of great use to Government. Government accordingly proposes to continue Mr. Dhurandhar in the post of Draftsman and Additional Secretary to Government, Legal Department for one more year and would be grateful if you will be so good as to move the Commission toacquiesce in the proposal. It is hoped that having regard to the

Circumstances -----

circumstances which have necessitated the continuance of Mr. Dhurandhar for another year, the Commission will not raise any objection to the proposal. Mr. Dhurendhar is fit both physically and mentally.

An early reply conveying the acquiescence of the Commission in the above proposal is requested.

Legal Department

Para. 3 of G.R., L.D. No. 10892, dated 18-11-1948, has sanctioned, inter alia the post of Additional Secretary, subject to the orders to be passed in the case of the present incumbent, for a period of two years with effect from 15-12-1948. As these orders are that the present Addl. Secretary will remain with us till 17-5-1950, it is not necessary to issue a G.R. for the post of Draftsman and Additional Secretary to Government. All that appears necessary is to notify his appointment now by a G.R. from 18-5-1949 pending further orders. The requisite draf G.R. is put up at p- 33 for approval.
